

Thank you to everyone who auditioned for this show! Please read the cast list carefully, your name may appear in more than one location.

If you were not cast in the role that you were hoping for please keep your head up high....casting a show is a very complicated process filled with many difficult decisions, sometimes overall talent isn't what makes you "right" for a specific role. Please remember that EVERY role provides opportunity to grow and develop new skills, no matter how "small" it may appear to you.

Please remember that as with any activity where people are assigned specific roles there is always the chance of disappointment along with the excitement. Please remember to represent yourself in a positive and professional way as you post on social media, or talk with people regarding the casting decisions.

If you were not cast in a role for the show, please remember that there are many aspects to each production and many ways for you to be involved with this show. We will still need more people to help with the backstage aspects of this musical, and please make sure come back to audition again in the future!
